Delphos Edition

April 2024

Spring has arrived, **Hope!** Flowers open, grass becomes green, trees produce new leaves. It is a time of renewal after a long dormant winter season. Christian theologian Dietrich Bonhoeffer taught that Christianity and discipleship are intertwined. “*Discipleship means adherence to Christ,*” he wrote in “*The Cost of Discipleship.*” Whatever you did to spend time with God during Lent this year, I encourage you to continue with those newly created God moments in your life. If you did not set aside some time for God in your busy schedule, then consider trying something new. Pick up one of the Upper Room devotionals that we have set out for you at the church. Take the Prayer List home and pray over it each night. May we all keep taking time every day, just for God. After all, He did give **His Son** for us!
