# Delphos Edition

May 2024

**Pentecost Sunday – May 19!** Seven weeks after Jesus’ crucifixion and resurrection, His disciples were together celebrating Sabbath. God began to demonstrate his power. First, God sent a sound “*as of a rushing mighty wind*” (Acts 2:2). Then came the appearance of “*divided tongues, as of fire,*” on the disciples, and God gave them the ability to speak in languages they had not learned! “*Everyone heard them speak in his own language.*” All this drew a crowd of amazed people wondering, “*Whatever could this mean?*” About 3,000 responded! By being baptized and receiving God’s Holy Spirit, they received the spiritual power that transformed their lives.
