My Hope is Built on Nothing Less

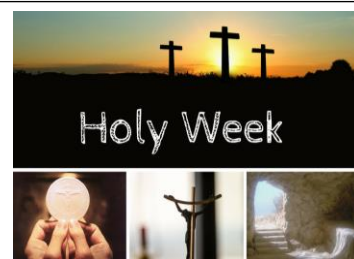

My hope is built on a dead man talking, an earthquake, a broken mother, a bizarre lightning episode, a sandal wearing, fearless Son of God, an eerily, quiet breaking dawn. The first Easter changed everything. The resurrection of Jesus is the most important event of all time. It split history in B.C. and A.D. Why? It shows Jesus was telling the truth, Jesus is God's Son, and the only way to eternal life. Some people may say Jesus made some outrageous claims. Maybe you think they were outrageous. Claim Jesus as your own and you will see the truth. Join together with us on this walk with Jesus. You will never know the miracles He can do in your life unless you give Him a chance. Celebrate the risen Christ on this Easter with hope in your heart! Alleluia!
