SUMMER 2023 ROAD TRIP PREACHING SERIES

A scriptural journey of holy people through holy places witnessing the goodness of God! Families are traveling, kids are at camp and schedules are full. We all travel during the summer. We go to beaches, mountains, lakes and rivers, and through desert places. This summer we are taking a scriptural trip together in the bible. In the bible we see people on the go. We will hear about the spiritual significance of landscapes and their images in the story of God's work. This **SUMMER ROAD TRIP SERIES** is an eight-week summer preaching series that looks at four common summer experiences we all have today. We will blend the Old Testament themes and New Testament experiences. We will learn how the ground we walk on points to the stories we cherish. I invite you to follow along our journey to shorelines, lakes, and rivers, mountains, and, desert places. My bags are packed, my bible is packed. Let's journey together in God's Land!
