

Delphos Edition

February 2023

Lent begins on Ash Wednesday, February 22, and ends on Holy Saturday. The English word “Lent” comes from the Anglo-Saxon word *lencten*, which means “lengthen” and refers to the lengthening days of “spring.” Lent is preparation for celebrating Easter and lasts forty days. The Sundays of the Lenten Season is sometimes called “Little Easters.” Because Sundays are always little Easters, the penitential spirit of Lent should be tempered with joyful expectation of the Resurrection. Lent began as a period of fasting and preparation for baptism by converts. Fasting and giving up something can be a part of Lenten disciplines, but so can taking on some things. This Lenten Season let us all join together to connect worship, daily growth in spiritual, relational, emotional, and bodily fitness each day. In preparing our whole heart and life, we can experience the depth and power of Christ’s death and resurrection. I commit myself to disciplines for love and life in Jesus Christ.
